QUALITY TABLEWARE SINCE 1961

AUTUMN/WINTER 2019

Welcome,

to the Autumn/Winter 2019 edition of Inspire by Harfield.

Inspire your diners with a Christmas Tree cheese board on one of our very versatile S-Planks. Perfect for sharing platters, hot and cold food, the S-Plank is proving to be a hit with chefs and caterers across the catering spectrum. Dishwasher safe with a 5 year anti breakage warranty, what's not to love? They can even be branded with your logo or design, or indeed pick your own colours aside from the stocked slate, oak and vintage effects. No more worrying about being unable to clean slate or wood platters, when you can have a versatile and high performing alternative.

In this edition we are also highlighting how some of our pastel colours can be used together to create a truly fresh, classic and stylish look for your setting. When combined, the colours come to life to really add instant appeal.

Our Create on the Plate feature really shows how food and tableware can combine in beautiful simplicity to attract younger diners and encourage them to eat healthier. We have created a bear, butterfly, sheep and a lion - what could you do?

For Goodness Bakes shows how our products can really help you to sell your food by providing stylish trays, bowls and platters to display the great food on offer. Helping diners to use an environmentally friendly, reusable and virtually unbreakable product to eat their food can really make a difference to you and your customers. Plus, by using reusables, they will quickly pay for themselves.

Continuing our theme of the environment, we have our Intelligent Thinking spread. Using Harfield tableware to replace disposables or other breakable tableware such as melamine and crockery, will really help the environment and your budgets. Our virtually unbreakable, dishwasher safe and budget friendly tableware gives a huge variety of options to help save the environment, enhance the quality of your service and keeps your customers happy. Ticking the environmentally friendly box can also help you keep ahead of your competitors. Harfield have a product to delight you and your diners.

A special thank you this month to our amazing marketing team of Carol and Lisa for the fantastic creativity they have shown in this edition and indeed all the previous editions.
