QUALITY TABLEWARE SINCE 1961

SPRING 2018

# Welcome,

to the Spring 2018 edition of Inspire by Harfield.

With the world's attention being drawn to the damage that disposable plastics are doing to our environment, we are delighted to show how our products can really make a difference.

A difference to you and your customers by saving money and improving the service offering, and also a difference to the environment.

Together with this we are relaunching our recycling service. All the polycarbonate and copolyester products that we offer are 100% recyclable. Simply send them back to us and we will recycle them for you!

You also get a sneak preview of our new Dessert Pot (on page 9). This 200ml pot is perfect for layered desserts, yogurts, jellies etc. Available in clear only and will be in stock in May.

For more information on any of the products, please contact your Harfield Account Manager, download or request our latest catalogue or contact us by phone or email.
