## Food Allergen Awareness

# DON'T WORRY, BE PURPLE

In the UK, an estimated 2 million people are living with a diagnosed food allergy.

At Harfield, we understand the importance of colour in allergen awareness in the healthcare sector and believe our 4 Point **PURPLE** Product Plan will help you select the correct Harfield products for your catering needs.

## Our 4 Point Purple Product Plan:

- ▶ **Preparation:** Use our range of **PURPLE** bowls and dishes as food prep storage to keep food separate.
- ▶ **Cooking:** Choose our **PURPLE** Oven to Tableware range to cook and store food. Dishes available in individual portions and up to half size gastronorms.
- ▶ **Display:** Our **PURPLE** polycarbonate and Oven to Tableware gastronorms, along with our purple serving tongs are great for serving food.
- ▶ **Serving:** We have a wide range of **PURPLE** trays, plates, bowls, jugs, cutlery and tumblers to ensure prepared and cooked food is served to the correct diner.
