QUALITY TABLEWARE SINCE 1961

Welcome, to our Healthcare brochure!

Established in 1961, Harfield have grown to become the UK's leading manufacturer of polycarbonate tableware ideal for the care sector such as hospitals and care homes.

Our polycarbonate and copolyester products are virtually unbreakable, lightweight, dishwasher safe, microwave safe for reheating and 100% recyclable.

Available in a wide range of colours to help identify those diners who need extra help when dining, or colour coding for helping people with dementia. We have a solution for all requirements and needs.

As a founding partner of the European alliance EPIQ, we now represent several of Europe's leading brands in trays and tableware. Inside this catalogue you will see a wide range of trays and tableware that are making a huge difference to both patients and providers. There are products that will enable you to remove catering disposables from your operation, saving you money and enhancing your presentation. We have a range of cloches that will help keep food protected as well as products that can be used in heated trolleys.

This is only a small selection of the wide range of products that we offer. To search our entire range, please visit www.harfieldtableware.co.uk or contact us for a free catalogue.
