

QUALITY TABLEWARE SINCE 1961

HARFIELD RECYCLING FORM

We take our environmental responsibility very seriously. Our recycling service is a key part of our sustainability policy, ensuring that we offer the greenest tableware solution for all our customers.

Unlike melamine and crockery products, our polycarbonate and copolyester tableware is 100% recyclable and we will recycle your old Harfield tableware for free.

HOW THE PROCESS WORKS:

- Return this completed form to info@harfieldtableware.co.uk and we will contact you to confirm what to do next.
- We will collect your Harfield or Roltex products free of charge if you spend £100 or more on Harfield tableware, purchased from us directly or via one of our distributors within the last 3 months.
- We will arrange for your tableware to be recycled.
- We will send you a certificate for recycling with us.

PLEASE NOTE:

- We can only recycle products that have Harfield or Roltex names on the base.
- We can recycle all products with Harfield or Roltex on the base, excluding Roltex laminate or polyester trays. Please ensure all items being returned to us have the Harfield or Roltex name on the base.
- We cannot recycle Kristallon or other brands of polycarbonate.
- We cannot recycle melamine or other types of plastic or kitchenware.
- Non Harfield products cannot be recycled by us and so an invoice for £50 minimum (ex VAT) would be raised for any non Harfield products, or non-recyclable goods returned to us.

You are welcome to return Harfield goods to us to be recycled at your own cost without purchasing more product from us. Please ensure that the items have Harfield or Roltex name on the base of each product.

Providing a greener tableware solution to our customers is a key aspect of our philosophy and we pride ourselves on assisting our customers with creating a more sustainable future.

Harfield, the greenest tableware. Recycle the present, save the future.

QUALITY TABLEWARE SINCE 1961

Recycling N°

For Harfield use only

Where will the items be collected from? e.g. Reception.

Please note: This must be on the ground floor

--

NAME	
ADDRESS	
EMAIL (to send label to)	

Items to be recycled:

Number of boxes	
Total weight of boxes	
When will the boxes be ready to be collected?	
Are there any restrictions on when the boxes can be collected? E.G. Business hours/School Holidays	

Please tick the relevant boxes:

<input type="checkbox"/>	I understand that only items that say Harfield or Roltex on the base can be recycled.
