QUALITY TABLEWARE SINCE 1961

SUSTAINABILITY

This is why Harfield is your first choice when you are looking for a sustainable solution for your tableware:

OUR COMMITMENT TO ENVIRONMENTAL SUSTAINABILITY

Sustainability is of vital importance to everyone at Harfield and indeed society as a whole. Harfield's range of polycarbonate and copolyester tableware is the most environmentally friendly product on the marketplace for the following reasons:

Choosing the reusable choice for your tableware will save you money.

Your tableware will not end up in landfill or polluting the oceans, helping you to save the environment.

Shorter lead times and less transport miles helping you lower your carbon footprint.

Reducing waste and what packaging you have to dispose of. All our packaging is recyclable.

Only order what you need, mix and match colours and save on storage space and expense.

Value for money, know that the tableware you are buying is made to last.

We take your suggestions on board when designing new products, so let us know if there is a product you need to help you care for our environment.

Harfield will recycle your used Harfield polycarbonate and copolyester tableware free of charge.

Reusable

Replace your disposables with our reusable tableware.

100% recyclable

Unlike traditional crockery, melamine or other commonly used plastics, Harfield tableware is 100% recyclable.

Made in the UK

Lower transport miles of any comparable product.

Minimal packaging

We only use the packaging we need to protect the product in transit.

Buy what you need

No need to over-purchase to meet manufacturers' case sizes.

Virtually unbreakable

Our products are long lasting if used correctly and will not chip or break.

Innovation

New products are continually being introduced to replace commonly used single use products.

Recycling service

Harfield free recycling service for all products sold by Harfield.

Welcome to our Education Brochure

Harfield are the UK's leading manufacturer of tableware designed specifically for Education. From trays, tumblers, jugs, cutlery, bowls, utensils and plates to labels, serving platters and insulated boxes, every product has been designed to provide optimum service for you. You can buy with confidence when you choose a Harfield product.

Most of our products are virtually unbreakable and will give many years of exemplary service in your school catering facilities. Harfield are at the forefront of helping you save money and stretch your budgets further. Our latest products, the 5oz and 7oz Dessert Pots & Lids, MultiPot Lids, Water Bottles, Insulated Boxes, and HACCP labels have been introduced at customer requests to help you provide the sustainable service you need for school children. Sustainability is of vital importance to Harfield. Our tableware is reusable and 100% recyclable. Made in the UK and the EU, we use minimal packaging and you only need to buy what you need, not full box quantities. Please contact info@harfieldtableware.co.uk for details on our recycling service.

Ordering is easy too. All our products are available from most leading distributors or you can order direct from us. You can order by email, online or by phone. Our sales office is open from 9am to 4pm Monday to Friday. Order before 2.30pm and your order will be despatched for next business day delivery.

If you need any advice on choosing the correct tableware for you, then please call or email our sales office. We also have a team of helpful and friendly Account Managers who will be happy to visit you and show you samples of our products to help you decide.

You are one step closer to perfect tableware!
