Recycling service

Harfield's Recycling Service

Sustainability is vitally important for us and so we are very pleased to announce that we are now launching a free recycling service for our customers.

The recycling service is available to all customers who have purchased Harfield, Roltex, AMC or Malko products from Harfield direct or via one of our distributors.

How the Recycling Service works:

- * **Email us at info@harfieldtableware.co.uk to request a recycling form.**
- * **Complete and return your form to info@harfieldtableware.co.uk.**
- * **Box and package the items to be recycled ready for collection.**
Our courier is not able to tape the boxes, they need to be packed and ready to collect.
- * **We will arrange for your HARFIELD, Roltex, AMC & Malko products to be collected.** Minimum of 100 items per collection.
- * **Once collected we will sort, weigh and store the items that are to be recycled.** Should any items returned to us not have the HARFIELD, Roltex, AMC & Malko names then we will have to issue you with a charge of £25.00 (excluding VAT).
- * **We will arrange for the items to be recycled.**
- * **The recycled material will then be moulded into new non-food contact products.**
- * **You will receive a certificate for recycling with us.**

We can accept:

We can only accept products for recycling that are 100% recyclable and have the following names usually on the bottom side of the product.

HARFIELD

Roltex

AMC

MALKO

We can recycle Polycarbonate, Copolyester, Polypropylene and HARFIELD and Roltex Trays.

We cannot accept:

Products like melamine and crockery **cannot** be recycled, therefore anything with the markings melamine or Kristallon on them, we are unable to accept.

There will be a charge of £25 (excluding VAT) for disposal of any products that do not have the names HARFIELD, Roltex, AMC or Malko on them.
