

WHAT'S FOR DESSERT?

Harfield's Dessert Pots have proved a hit at one of the UK's leading independent schools for boys and girls aged 13 to 18. The school believes it is "extremely important to provide a healthy and balanced range of food that is both nutritious and enjoyable for pupils". 90% of the school dishes are made using fresh ingredients so these pots are perfect to help the school tick that box.

The 'potted desserts' looked amazing. The pupils had a choice between vegetarian orange jelly, blueberry chai seed yoghurt, vegan lemon cheesecake, fruit pots and apple crumble. On LinkedIn, Lisa Whiteman, the head pastry chef said that the school goes through 500 of our reusable Dessert Pots a day.

100% RECYCLABLE & MADE TO LAST!

Our reusable Dessert Pots are available in 2 sizes with optional lids:

5oz / 150ml - Code: 299CLE

7oz / 200ml - Code: 245CLE

Lids are available in clear, trans blue, trans red and trans purple.

Made from polycarbonate, the pots are microwave and dishwasher safe. Made near Stockport in the UK, they are also recyclable saving our customers money as well as saving the environment.
