Welcome

to our 2023/24 Healthcare brochure

Welcome to our new Healthcare brochure for 2023/24.

We are the leading UK supplier of reusable and recyclable tableware for the healthcare sector.

We offer a full range of products that will help to improve your service, reduce costs and help you improve your sustainability. All Harfield products are manufactured in the UK and our EPIQ lines are all made in Europe. We are focused on offering the very highest quality products that meet your needs.

We have solutions for diners of all ages and needs. Our rainbow of colours help meet the needs of diners with dementia as well as brightening the meal times for the youngest. Whether you are serving breakfast, lunch, dinner or snacks, there is an option for you.

We can also help with transporting of food with our range of insulated boxes and tableware with lids and covers. Our latest range of hi heat tableware with a maximum operating temperature of 140°C works well with all the leading hot trolley manufacturers.

If you are needing stylish products for your restaurants or canteens, we can help here too. Our market leading range of trays from our EPIQ partner Roltex will add style and function to your serveries.

Ordering couldn't be simpler. All products are available from most leading suppliers to healthcare. You can also order online 24 hours a day at www.harfieldtableware.co.uk or by email: info@harfieldtableware.co.uk.

Our sales office is open Monday to Friday 8:30am to 4.30pm on 0161 477 5678. Order before 2.30pm and your order will be despatched for next business day delivery.

If you need any help or advice on choosing the correct tableware for you, please call or email our sales office. We also have a team of helpful and friendly Account Managers who will be happy to visit you and show samples of our products to help you decide.

You are one step closer to perfect tableware!

Plates & Covers

Harfield plates will provide many years of exemplary service in every healthcare setting. All our plates and covers are hardwearing, durable, microwave and dishwasher safe.

Dining with Dementia

It is common for people with dementia to struggle with eating and drinking. Harfield have a range of tried and tested tableware products that have been assisting with people dining with dementia. Our range encourages independence and is available in a wide range of colours to ensure our customers get the right product for the right person.

DINING WITH DEMENTIA

INFORMATION SUPPLIED BY HCC CARE

WHAT IS YOUR PRIMARY OBJECTIVE FOR PATIENTS/RESIDENTS WITH DEMENTIA?

Good dining experience, encouraging independence.

WHAT DO YOU THINK IS IMPORTANT FOR PATIENTS WITH DEMENTIA?

Tableware needs to aid independence e.g. deep rimmed plates, two handled cups.

WHAT COLOUR DO YOU USE FOR RESIDENTS WITH DEMENTIA?

Various. Try to encourage bright solid colours.

HOW DO YOUR RESIDENTS WITH DEMENTIA AND YOUR TEAM RESPOND TO OUR PRODUCTS?

They like them – choice and ability to mix and match products.

WHAT DOES LUNCH TIME LOOK LIKE FOR RESIDENTS WITH DEMENTIA? WHEN AND HOW DOES IT HAPPEN?

Mix of communal dining rooms, lone eating and eating in own room. Main meals are generally around lunch time, but some homes at 5pm.

WHAT QUALITIES OR CHARACTERISTICS DOES YOUR TABLEWARE NEED TO HAVE?

Brightly coloured, dishwasher proof and low staining. Ergonomically designed for people with poor grip.

DO OUR PRODUCTS FIT WITH HOW YOU RUN YOUR SERVICE FOR PATIENTS WITH DEMENTIA CARE?

Yes, very much.

ARE YOU SATISFIED WITH OUR PRODUCTS? IF SO, WHY? WHAT ARE THE MAIN BENEFIT?

They last well. Customer service is excellent.

CAN YOU DESCRIBE IN A FEW WORDS HOW HARFIELD PRODUCTS WORK FOR DEMENTIA CARE?

Dementia friendly, reasonably priced, wide range of products and colours to ensure you get the right product for the right person.

Hi Heat & O2T

Oven to Tableware was another world first innovation from Harfield, using revolutionary plastics to meet the temperature requirements of our customers and reduce cooking time by up to 10%. The O2T range can go from -40°C to +220°C, direct from freezer to oven and is microwave safe. It is naturally non-stick and can be used with metal utensils. Please note this range is not unbreakable and the lids are not anti-spill. We have now introduced a new range of hi heat plastics that are suitable up to +140°C, designed to be used with leading manufacturers' hot trolley systems.

TURN UP THE HEAT
with our **NEW** Hi Heat Range

Hot trolley, oven (maximum temperature 140°C) & microwave safe.

Antibacterial

Harfield's Biomaster protected tableware range is a response to a growing need to do more to tackle disease-causing bacteria and viruses. Protected products help to inhibit the growth of bacteria by up to 99.9% and also SARS-COV-2, the virus that causes Covid-19.

Biomaster protected

Harfield's Biomaster protected tableware is a response to the growing need to do more to tackle disease-causing bacteria and viruses. We can now confirm that Biomaster is active on substrates against SARS-COV-2, the virus that causes Covid-19.

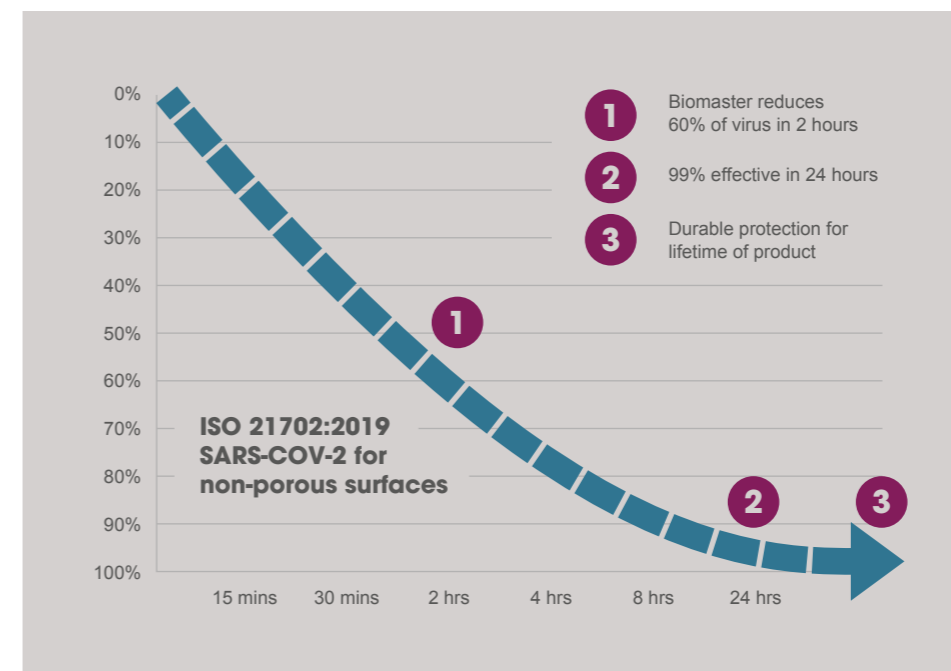

1 Biomaster binds to the cell wall disrupting growth.

2 The Biomaster ions interfere with enzyme production stopping the cell producing energy.

3 Biomaster interrupts the cell's DNA preventing replication.

For illustrative purposes only, actual reduction rate varies depending on material and Biomaster addition rate.

On-The-Go

Responding to the changing needs of our customers, we introduced this comprehensive range of on-the-go dining products. All products are reusable and will help replace single use plastics and disposables. We also have a range of insulated boxes ideal for food delivery for bulk meals or for individual diners. Made from EPP, they are perfect for keeping hot and cold food at the correct temperature for up to 180 minutes. The operating temperatures are from -40°C. to +120°C.

PULLBOX

PREPARATION - STORAGE - TRANSPORTATION

Meet our innovative range of PullBoxes. The PullBox food container is a perfect solution for preparing, storing and on the go meals. The patented opening and closing system provides an airtight, vacuum like seal that is 100% leakproof. The lid allows you to keep ingredients fresher for longer and makes the container great to use for transporting food as well.

Ergonomic design - Easy open lid in just one click.

Environmentally friendly - Reusable & 100% recyclable.

Leakproof seal - No spillages, even if not placed flat.

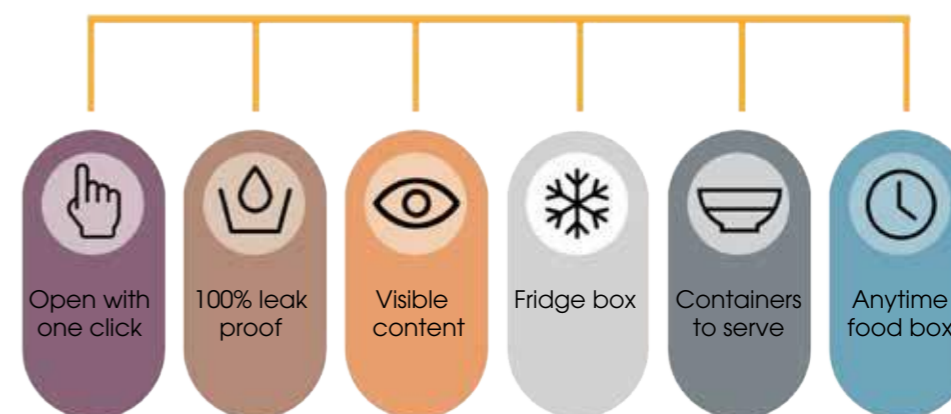

Multifunctional - Bowl is microwave safe, so perfect for storage, reheating & serving.

Practical - Dishwasher (to 55°C), freezer & fridge safe.

Available in a range of shapes & sizes.

Perfect for hot & cold food, including salad, jacket potatoes, fruit and more.

Stylish way to store & serve.

Labels

Food labelling is vital in today's foodservice environment. Our EPIQ partners LabelFresh are the market leaders in high quality labelling systems that meet ever changing needs. The pandemic has created growing demand for tamper evident labels for food delivery services and also for identifying products that need to be cleaned or are clean. We have a wide range of removable, dissolvable and custom labels and dispensers available, in addition to the labels featured.
