

TRAYS

by **H**ARFIELD

QUALITY TABLEWARE SINCE 1961

Welcome to our Tray brochure

Enhance your customer's experience and serve them using the finest quality trays. Whatever tray you need, Harfield has the one for you.

Choose from a variety of materials and styles to best suit your needs. Plastic trays for an economical solution, Puro and Wave for style and touch, Laminate for design and shape and Polyester for robust and hardwearing. Harfield's Meal Trays are the industry standard for quality, value and purpose and are now joined by sectional trays from our EPIQ European partners.

Our stock trays are available for next day delivery and our non-stock lines have a short lead time. Please note minimum order quantities will apply for non-stock lines. Please contact us for further information.

Many of our trays, can be personalised with your logo, strapline or images to really make an impact. Also look out for information on adding anti-slip to your tray choice. Please note that a + after the code denotes anti-slip.

Our friendly and helpful customer service team will be delighted to help you. Please contact us on 0161 477 5678 between 8.30am and 4.30pm Monday to Friday. You can email us at info@harfieldtableware.co.uk or visit our website for the very latest information at www.harfieldtableware.co.uk

Plastic Trays

Spanning the entire range from eco-friendly to heavy-duty plastic trays offer many advantages. The composition of our lightweight, reusable plastic trays varies from bio-plastic or PP to ABS to create an incredibly tough product. Standard rectangular, completely open or with compartments, in the colour of your choice. The Paturel trays now also feature visible wood fibres, to add an extra touch of authenticity.

Meal Trays

Polycarbonate and polypropylene compartment trays.

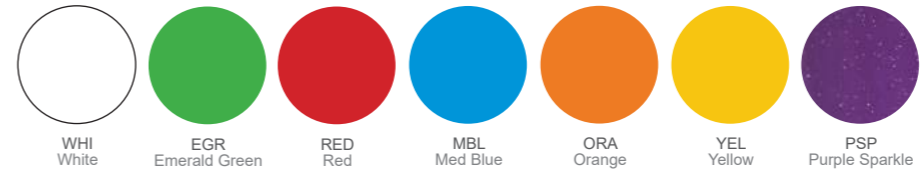

Our meal trays are robust for the most demanding of environments. Trays made from polycarbonate are virtually unbreakable, dishwasher safe and stackable. These trays make service quick and easy in fast paced settings to allow more customers to be served. Our bright colours are always popular.

Polypropylene compartment trays are also hard wearing and designed for education and healthcare. These trays are dishwasher safe. Food can be eaten directly from all our meal trays.

Polyester Trays

If you're looking for a robust tray that will withstand everyday use, our Polyester Trays are for you. They are ideal for intensive use many times a day. They are made out of high quality polyester with 27% fibreglass, which is extremely durable and super strong. The tray won't break or chip, making it a safe option to use during busy meals times. This tray is warp and heat resistant with a temperature range from -50°C to +125°C, max temperature for anti-slip +100°C. There is an anti-breakage warranty of 3 years on the smart range and 5 years on classic quality. They are dishwasher and sterilising sink safe. Very easy to separate and stackable as well. An anti-slip version of this tray is also available on our website.

Polyester Trays

Our polyester trays are sturdy and heat resistant. The trays get their high quality and strength from the 27% of fibreglass that is added to the polyester. Warp resistant and dishwasher safe.

Personalisation

Are you looking for a tray with your own logo or design? Do you have a unique idea for your own tray? Anything is possible with one of our laminated, polyester or ecological trays. With a low MOQ your tray will quickly become reality. Contact us today for more information.

Personalise your trays

Want a tray with your own logo or design? Do you have a unique idea for your own tray? Anything is possible with one of Harfield's trays. Contact us to make your idea or concept become a reality on +44 (0)161 477 5678.

Anti-Slip

An anti-slip layer can be added to most Laminated, Earth and some Polyester trays. Even your personalised trays can have an anti-slip layer. For the very best appearance we recommend dark tray colours when choosing an anti-slip option for a Laminated or Earth tray.

1

Send your logo, design or image.

2

You will receive a digital example to sign off the design.

3

You can order a sample (optional). A small charge will apply.

4

Receive your personalised trays in approximately 6-8 weeks.

Requirements:

Logo or Design
