by  **HARFIELD**

QUALITY TABLEWARE SINCE 1961

## Welcome to our Education Brochure

# SUSTAINABILITY

This is why Harfield is your first choice when you are looking for a sustainable solution for your tableware:

Choosing the reusable choice for your tableware will save you money.

Your tableware will not end up in landfill or polluting the oceans, helping you to save the environment.

Shorter lead times and less transport miles helping you lower your carbon footprint.

Reducing waste and what packaging you have to dispose of. All our packaging is recyclable.

Only order what you need, mix and match colours and save on storage space and expense.

Value for money, know that the tableware you are buying is made to last.

We take your suggestions on board when designing new products, so let us know if there is a product you need to help you care for our environment.

Harfield will recycle your used Harfield polycarbonate and copolyester tableware free of charge.

Harfield are the UK's leading manufacturer of tableware designed specifically for Education. From trays, tumblers, jugs, cutlery, bowls, utensils and plates to labels, serving platters and insulated boxes, every product has been designed to provide optimum service for you. You can buy with confidence when you choose a Harfield product.

Harfield products have been designed to provide you with years of exemplary service. Our products will help you save money and enhance your service. We help make your food smile!

We understand that school kitchens demand high quality, long lasting and budget friendly products that meet the needs of diners of all ages and appetites as well as the wide variety of different foods on offer. All our products have been designed in conjunction with school meals providers to help you deliver a first-class product and present your food in the most appealing ways. Our brand-new oval dishes are a perfect example of design, value and performance. Street food has never looked so good!

Sustainability is never far from all our minds and Harfield help you meet your goals here too. By replacing all your melamine, crockery and single use products with our range, you will save money and the environment. Furthermore, we are the only UK manufacturer to offer a fully recyclable product backed by a free recycling service. Not only is our tableware good for you, your diners and your budget, it is good for the environment too.

Ordering is easy too. All our products are available from most leading distributors or you can order direct from us. You can order by email, online or by phone. Our sales office is open from 9am to 4pm Monday to Friday. Order before 2.30pm and your order will be despatched for next business day delivery.

If you need any advice on choosing the correct tableware for you, then please call or email our sales office. We also have a team of helpful and friendly Account Managers who will be happy to visit you and show you samples of our products to help you decide.

You are one step closer to perfect tableware!

## OUR COMMITMENT TO ENVIRONMENTAL SUSTAINABILITY

Sustainability is of vital importance to everyone at Harfield and indeed society as a whole. Harfield's range of polycarbonate and copolyester tableware is the most environmentally friendly product on the marketplace for the following reasons:

**Reusable**

Replace your disposables with our reusable tableware.

**100% recyclable**

Unlike traditional crockery, melamine or other commonly used plastics, Harfield tableware is 100% recyclable.

**Made in the UK**

Lower transport miles of any comparable product.

**Minimal packaging**

We only use the packaging we need to protect the product in transit.

**Buy what you need**

No need to over-purchase to meet manufacturers' case sizes.

**Virtually unbreakable**

Our products are long lasting if used correctly and will not chip or break.

**Innovation**

New products are continually being introduced to replace commonly used single use products.

**Recycling service**

Harfield free recycling service for all products sold by Harfield.
